

method claims when apparatus claims are allowed under MPEP 821.04. In this respect, the Examiner had found, see section 6 of the Action at page 3, that "Inventions II and IV are related as process of making and product made.

Please note that claims 1 to 28 are canceled in this application.

This requirement is respectfully traversed to preserve the right to rejoinder as mentioned above. In addition, with the cancellation of claims 1 to 28, only claims 29 to 48 remain pending in this application with claims 29 to 36 being elected. It is submitted that, under MPEP 803, there is no serious burden for the Examiner in examining all pending claims on their merits.

Respectfully submitted,

Dated: April 23, 2003
